

PARENTS – Get involved in your child’s college and career planning!

Your child’s high school counseling office utilizes a comprehensive online solution from ConnectEDU called Connect! to help you and your child manage the college and career planning process. In Connect!, students can keep track of their college information and deadlines plus receive messages about colleges and careers from counselors. As a parent, you should also create an account so you can monitor and assist your child with college and career planning!

Counselors will be instructing your child to register with Connect!, so please encourage your child to get going right away!
